Get more information from your Solid Waste Management District

Most Vermont towns belong to solid waste management districts or alliances, which help coordinate services in member towns and perform vital planning and outreach work. Contact your solid waste management district, alliance, or town to get more detailed information on food scraps hauling in your area.

Contact information available here: <http://www.anr.state.vt.us/dec/wastediv/solid/swmdlist.htm>

PLEASE NOTE: ANR does not assume any liability for the accuracy or completeness of information presented in this list. A listing of a hauler does not constitute a recommendation or endorsement. This may not be a complete list of haulers that provide food scrap collection services. To find updated versions of this list visit:
