## NOTICE OF INTENT INSTRUCTIONS FOR APPLICANT

Please print legibly.

**Section 1. Applicant** - The applicant must be the owner of the water system and is generally the property owner where the system is located.

**Section 3. Name of Water System** – e.g., Maple Inn, Vermont Family Restaurant, etc.

**Water System ID # (WSID)** – This is a nine digit number preceded by “VT” (e.g., VT0000111) assigned to the system by the Drinking Water and Groundwater Protection Division (WSD). If the system does not already have a WSID number when filing the NOI, the applicant must complete and submit a Public Water Supply Survey form, available from WSD, with the NOI.

**Wastewater System and Potable Water Supply Permit Number** – These permits are issued by the Department of Environmental Conservation’s Wastewater Management Division and run with the property. If you do not have a copy of the permit for the property or know the permit number, contact your Town Clerk or the appropriate Wastewater Management Division Regional Office for assistance. The number for the Division’s main office is 802-241-3822.

**Section 6. Source Types** – For each source, choose from the following: drilled well, dug well, spring. Note that systems using a surface water source or source that has been determined to be groundwater under the direct influence of surface water are not eligible for coverage under this general permit.

**Section 9. Water System owner certification –**

**Signature of Applicant** – The application must be signed by the owner of the water system.

**Note** - If the application is not complete, it will be returned to the applicant.
