PERMIT AND LICENSE INFORMATION

MINERAL PROSPECTING PERMIT

**SUMMARY
DESCRIPTION
OF PERMIT**

Recreational mineral prospectors wishing to operate sluice boxes in Vermont streams must provide the following information on the enclosed application with attachments as necessary. Suction dredges or any other mechanical means of mineral mining on the streambed or banks of any watercourse is prohibited and will not be permitted. No authorization is required for hand panning.

No mineral prospecting may take place on any streams or lands without permission of the property owner. Mineral prospecting, with the exception of hand panning is prohibited within state parks, state forests, state wildlife management areas and any federal lands.

**EXAMPLE OF
REGULATED
ACTIVITY**

Operation of sluice boxes in streams for mineral prospecting.
