**APPLICATION FOR CERTIFICATION -- SOLID WASTE MANAGEMENT FACILITY**

This document provides a basis for meeting the requirements outlined in Sections 6-302(b)(c)(d), and items 2, 3 and 4 of (e) of the Solid Waste Management Rules ("Rules"), and as such certification. Other information necessary to complete and application is detailed in the remainder of Section 6-304, as well as Section 6-306 of the Rules. Upon review by the Solid Waste Management Division, additional project-specific information may be required.

We recommend that you contact the Permit Specialist assigned to the Region within which the project is located. The Permit Specialist will then make a determination concerning other state permits you may need to obtain prior to commencing your project. (See attached map for your local Regional Office)
