

**BUSINESS DISCLOSURE STATEMENT FOR CERTIFICATION and HAULER APPLICATIONS  
PURSUANT TO 10 V.S.A. SECTION 6605f**DISCLOSURE STATEMENT INSTRUCTIONS

1. **WHO MUST COMPLETE THIS FORM.** Every nongovernmental entity required to obtain a certification for a solid or hazardous waste facility under 10 V.S.A. §§6605, 6605a, or 6606, to obtain an interim certification under 10 V.S.A. §6605b, or any waste hauler required to obtain a waste transportation permit under 10 V.S.A. §6607a or under rules adopted under 10 V.S.A. §6607, and all non-governmental entities that contract with an applicant governmental entity to conduct any part of the applicant governmental entity's operation, must complete this form. The authority of the Agency of Natural Resources and the Vermont State Police to perform a background investigation of the applicant and others is set forth in 10 V.S.A. §6605f (as amended 4/20/95).

2. **ALL QUESTIONS MUST BE ANSWERED.** Answer every question completely. Do not leave any blank spaces. If a question does not apply to you, enter "Not applicable" or "N/A" in the space provided for an answer. If there is nothing to disclose in answer to a particular question, enter "None" in the space provided for an answer. **All violations listed must be explained.** Please include name and address of agency, department, etc. which issued the violation(s), and include a full description of each violation. Violations referenced by numbers will not be accepted. Full descriptions are required to ensure that a proper determination may be made.

3. **ANSWER COMPLETELY AND TRUTHFULLY.** Failure to answer all questions completely and truthfully may result in sanctions as provided by law, in permit denial or revocation, or in delay in processing the application because the statement had to be returned to you.

You are expected to make diligent efforts to check your records, and other records or sources to which you have access, in order to answer the question accurately and completely. If you are unsure of, or do not remember the answer to a question, indicate this in some way -- for example, by writing "Do not know" or "Do not remember". Be aware that answering a question in this manner may result in additional inquiries from the Vermont State Police and/or the Agency of Natural Resources.

4. **ADDITIONAL SPACE.** If you need additional space to answer a question, use a plain 8 ½" x 11" sheet(s) of paper. Insert additional pages immediately following the page on which the question you are answering appears. Be sure to indicate that your answer to the question is "continued on the next page", and indicate on the additional page which question is being continued there.

Note that the pages of this form are numbered at the bottom. If you attach additional pages, number them at the bottom center by using the number of the pages they follow, and adding letters. For example, if you add two pages following page 15, you should label them 15A and 15B.

5. **TYPE OR PRINT YOUR ANSWERS.** Type or print in legible block letter style. Handwritten forms will be returned if entries are in script or are unreadable.

6. **SUBMITTALS.** All required Disclosure Statements and Personal History Disclosure Forms must be submitted with the application for a certification or permit. Applications which do not include the required Disclosure forms will be returned. All Disclosure Statements and Personal History Disclosure Forms must also be signed and notarized.

7. **RIGHT TO ASK FOR ADDITIONAL INFORMATION.** The Agency of Natural Resources and the Vermont State Police reserve the right to ask for additional supplementary information relative to issues relevant under 10 V.S.A. §6605f. Processing your application will not be completed until all information requested has been provided.

## SOCIAL SECURITY NUMBERS

Notice required under Section 7(b) of the Federal Privacy Act of 1974

Under Section 7(b) of the Federal Privacy Act of 1974, 5 U.S.C. Section 552A, any government agency which requests an individual to disclose his Social Security number must inform that individual whether the disclosure is mandatory or voluntary, by what statutory or other authority such number is solicited, and what uses will be made of it.

The Social Security number is used as a secondary identifier by the Vermont State Police when it conducts background investigations of individuals listed on disclosure statements. It is used routinely to ensure correct identification in checking criminal history records maintained by state and federal governments. In specific investigations which may involve examination of particular records obtained from outside sources, the Social Security number may be used to determine whether the individual named in the records and the individual under investigation are the same or different persons. The Agency is authorized to request this information under 10 V.S.A. §6605f.

The listing of Social Security numbers on the disclosure forms is voluntary. Under Section 7(a) of the Privacy Act, the Agency cannot deny or revoke a license or impose any penalty because of an individual's refusal to disclose a Social Security number. However, the absence of a Social Security number as a secondary identifier may delay processing of the permit application because of the additional investigative time which may be necessary to confirm identifications without the Social Security number.
