Re: Petition for Kenny Pond

Dear Jean:

Thank you for your letter of July 27, 2012 responding to the questions in my letter to you of May 23, 2012. I will forward your letter and the accompanying documents to the Department of Environmental Conservation, because, as of May 14, 2012 authority over petitions to amend the Use of Public Waters Rules has been transferred to the Agency of Natural Resources.

I hope that you received the letter which I wrote to you on June 22, 2012 to confirm that you should be presenting your case to the staff at the Department. As I noted in my June 22 letter, I understand that Susan Warren is the person in charge of the division at the Department that will address UPW petitions. Her phone number is 338-4808, and her address is the regular ANR address of 103 South Main Street, Waterbury, VT 05671. Her email is in the standard state email address format: susan.warren@state.vt.us

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'John H. Hasen'.
