Re: Petition for Kenny Pond

Dear Attorney Brewster Giddings:

The Agency of Natural Resources (Agency) received the petition you submitted on behalf of the Trustees of the Martha K. Palmer Trust and the Martha Kinne Palmer Trust on April 27, 2012. The Trustees' petition seeks an amendment to the Vermont Use of Public Waters Rule to remove Kenny Pond from the State's listing of public waters.

Our last correspondence was my June 12, 2013 letter to you requesting a town tax map and information to further clarify the relationship of the trusts and their trustees. As of today, I have not yet received a reply from you. As a result, the Agency is denying the Trustees' petition without prejudice.

Please do not hesitate to contact me with any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Leslie Welts".
