

Ecosystem Restoration Program Grants, Awarded for FY2013, by County

The topic and category key is provided on page 4.

County	Partner	Summary Title	Funding	Topic	Cat
Addison	Town of Bristol	Saunders Property Erosion Control and Riparian Buffer Plantings project	\$21,990	R	3
	Lewis Creek Association	Restoration Projects in Pond Brook that include gully stabilization and buffer restoration	\$50,000	R	2
	The Nature Conservancy	Bridge and Culvert Assessment	\$12,968	R	1
	Vermont River Conservancy	New Haven River Easement, Bristol	\$69,000	R	3
	Vermont River Conservancy	Lewis Creek Corridor Easement, Ferrisburgh	\$55,692	R	3
	Vermont Fish & Wildlife Department	Mainer Conservation Project, Monkton	\$50,000	R	3
Bennington	No new projects for 2013; on-going projects from prior funding cycles: \$163,925 for 2012 and \$190,000 for 2011				
Caledonia	Caledonia County Natural Resources Conservation District	Passumpsic Watershed Phase 2 Stream Geomorphic Assessments and Flood Resiliency	\$66,500	R	1
	Caledonia County Natural Resources Conservation District	Upper Lamoille Floodplain Restoration project	\$17,800	R	2
	Town of Hardwick	Stormwater Remediation Project along Lamoille River	\$74,990	S	2
	Town of Ryegate	Water Quality Remediation of Ticklenaked Pond	\$95,990	L	2
Chittenden	Burlington	Optimizing Stormwater Treatment Retrofits for the College Street Storm Drain System	\$35,000	S	2
	Lake Iroquois Recreation District	Low Impact Development Project to Reduce Erosion at Lake Iroquois Public Beach	\$7,000	S	2
	Town of Williston	Stormwater Remediation Master Plan, Phase II	\$75,000	S	1,2
Essex	Essex County Natural Resources Conservation District	Leach Stream Geomorphic Assessment	\$9,000	R	1
	Essex County Natural Resources Conservation District	Trees for Streams Program for Essex and Caledonia Counties	\$16,000	R	2
Franklin	City of St. Albans	Stevens Brook Flow Restoration	\$48,000	S	1

County	Partner	Summary Title	Funding	Topic	Cat
Franklin continued	Franklin Watershed Committee	Lake Carmi Lake Wise Shoreland Stabilization	\$55,000	L	2
	Friends of the Northern Lake Champlain	Stormwater Master Planning for Franklin County Communities	\$79,750	S	1
	Missisquoi River Basin Association	Missisquoi Watershed Trees for Streams	\$39,300	R	2
	Northwest Regional Planning Commission	St. Albans Bay Initiative: Nonpoint Source Mitigation Project	\$44,000	S	1
Franklin and Grand Isle	Northwest Regional Planning Commission	Cost-share Program to Conduct Shoreline Stabilization in Franklin and Grand Isle Counties	\$75,000	L	2
Lamoille	Jeffersville	Floodplain Protection Project along Brewster and Lamoille Rivers	\$19,643	R	2
	Morristown	Stormwater Management System	\$25,156	S	1
	Lamoille County Natural Resources Conservation District	Stormwater Improvement Projects in the Lamoille River Watershed - Hyde Park, Morristown, and Morrisville	\$24,530	S	1,2
Orange	No new projects for 2013; on-going projects from a prior funding cycle: \$89,450 for 2012				
Orleans	Orleans County Natural Resources Conservation District	Phosphorus Reduction in the Lake Memphremagog Basin-Trees for Streams and Agricultural Best Management Practice Implementation	\$80,163	A, R	2
	Vermont River Conservancy	Upper Missisquoi River Corridor Easement, Westfield	\$40,573	R	3
Rutland	Rutland Natural Resources Conservation District	Eliminating Illicit Discharges in Rutland County (Proctor, Wallingford, West Rutland, Poultney, Benson, Castleton, Fair Haven)	\$63,980	S	1
	Rutland Natural Resources Conservation District	Stormwater Reduction in Moon Brook	\$72,740	S	2
Washington	Central VT Regional Planning Commission	Great Brook Geomorphic Assessment, Landslide Hazard Assessment, River Corridor Plan	\$19,690	R	1
	Central VT Regional Planning Commission	Northfield Stormwater Remediation Project Development	\$12,954	S	2

County	Partner	Summary Title	Funding	Topic	Cat
Washington continued	Friends of the Mad River	Stormwater Management Demonstration at Mad River Glen Ski Area	\$11,445	S	1
	Friends of the Winooski River	Stormwater Mitigation on Dog River in Northfield	\$25,870	S	1,2
	Friends of the Winooski River	Winooski Headwaters Integrated Field Assessment of Culverts, Drainage, Road Erosion and Illicit Discharge Detection and Elimination	\$36,000	S	1
	Vermont River Conservancy	Dog River Corridor Easement, Northfield	\$39,615	R	3
	Winooski Natural Resources Conservation District	Gully Remediation Scoping, Plainfield	\$18,500	R	1
Windham	Windham County Natural Resource Conservation District	Stream Geomorphic Assessment, Phase I, Williams River	\$34,500	R	1
	Windham County Regional Commission	River Corridor Plan, Green River	\$25,320	R	1
	Windham County Regional Commission	Winhall River and Wardsboro Brook River Corridor Plan	\$56,520	R	1
Windsor	Cavendish	Black River corridor protection and restoration for flood resiliency	\$94,590	R	1
	Lake Rescue Association	Sedimentation Reduction to the Upper Black River Watershed (Buffalo, Money, and Patch Brooks)	\$41,510	R	1
	Two-Rivers Ottauquechee Regional Commission	Upper Ottauquechee Tributaries Restoration Assessment	\$35,369	R	1
	Vermont Land Trust	River Corridor Easement Along the Third Branch of the White River, Bethel, VT	\$40,613	R	3
	Vermont River Conservancy	Money Brook Corridor Easement Development, Plymouth	\$6,000	R	1
	White River Partnership	Third Branch, White River Corridor Plan	\$75,000	R	1
Orleans & Caledonia Counties	Internal	Basins 15017 Illicit Discharge Detection and Elimination	\$33,248	S	1

County	Partner	Summary Title	Funding	Topic	Cat
Lake Champlain Basin	University of Vermont-Extension	Agricultural Management Practices Involving Advanced Tillage Methods to Reduce Impacts on Water Quality	\$73,913	A	2
	Ducks Unlimited	Wetland Restoration and Protection Using Wetland Reserve Program Funds in the Lake Champlain Basin	\$25,156	W	2
Statewide	Northern Vermont Resource Conservation and Development Council	Better Back Roads Cost-Share Grants to Reduce Road Erosion	\$30,000	Rd	2
	VAAFM	Small Farms Best Management Practices Program	\$150,000	A	2
	Vermont Youth Conservation Corps	Erosion Control and Water Quality Improvement Projects	\$75,000	R, S	2

Topic Key

A: Agricultural Runoff
L: Lake Shoreline Restoration/Protection
R: River Corridor/Floodplain Restoration/Protection
Rd: Road Construction/Maintenance
S: Stormwater Runoff
W: Wetland Restoration

Category Key

1: Project Development/Scoping
2: Project Implementation
3: Resource Protection
