

**Vermont Agency of Natural Resources  
Aquatic Nuisance Control Permit Notice**

The Department of Environmental Conservation (Department) has issued a draft decision, pursuant to 10 V.S.A. §1455(d) & (i) on an application submitted by the United States Fish & Wildlife Service requesting authorization to use pesticides (lampricide) in the Stone Bridge Brook for the purposes of aquatic nuisance control, specifically sea lamprey (*Petromyzon marinus*) to be conducted in accordance with the conditions set forth within **Aquatic Nuisance Control Permit #2016-C12**. The proposed activity will occur in the following municipalities: Milton and Georgia. Submit comments to:

Watershed Management Division  
1 National Life Drive, Main 2  
Montpelier, VT 05620-3522  
Telephone: (802) 490-6199  
Email: misha.cetner@vermont.gov

A copy of this draft decision and supporting documents is available on the Lakes & Ponds Public Notice webpage at: <http://dec.vermont.gov/watershed/permits/public-notices/lakes-and-ponds>. The Department is seeking public comments on this tentative determination, during a 30-day public notice period. **Comments must be received before the close of business (4:30 pm) on October 28, 2016**. Submit written comments to the email or physical address above. Ensure the permit number appears on the first page or subject line of any correspondence. All timely comments will be considered in the formulation of a final decision. Pursuant to 10 V.S.A. Chapter 220, an appeal must be filed with Environmental Court within 30 days of the final decision date. For information about filing an appeal visit [www.vermontjudiciary.org](http://www.vermontjudiciary.org) or call (802) 951-1740.
