2. For map removals and registration error correction requests, select all justifications for making this request:

The district ecologist visited my site and did not see wetland.

A professional wetland scientist reviewed the area according to the methodology for identifying wetlands in section 3.2a of the Vermont Wetland Rules during the growing season and did not find wetland.

The wetland polygon does not line up with the underlying base layers and the actual wetland is in a different location.

To show proof of one or more of the above:

I have attached evidence of the mapping error which includes photographs and notes from a wetland scientist.

I have attached a sketch of where the registration error is for correction (if applicable).

3. For map edit requests, select all justifications for making this request:

I have a wetland delineation which was produced in the last 5 years which is different from the VSWI map.

The district ecologist visited my site and observed wetlands extending beyond the extent of the mapped wetland (contiguous).

The district ecologist visited my site and observed no wetlands where there was mapped wetland.

N/A

To show proof of one or more of the above:

I have attached the wetland delineation, photographs, and notes from a wetland scientist.

I have attached a sketch of the wetland map edit.

4. Supporting Materials:****ADDITIONAL MATERIAL REQUIRED TO CALL PETITION COMPLETE****4.1. **Location Map:**

Provide a location map that is 8 ½" x 11" and separate from any site plans. The Vermont Natural Resources Atlas is appropriate using USGS topography map base layer, roads, and VSWI wetlands at a minimum.

Date	Title

4.2. **Proposed Mapping:

List as specified below. Plans must be legible and include wetland delineation or aerial interpretation. It is helpful to provide one map with topograph and one with aerial photography as a base. You are encouraged to also submit a geodatabase containing your proposed edit. Use the geodatabase template located on our website under 'Application Materials' > 'wetland determinations.'

OFFICIAL NOTICE

Hello Neighbor,

This letter is to let you know that _____ plans to apply for permits from the Agency of Natural Resources, Department of Environmental Conservation (DEC). As your property borders where this activity will happen, Vermont law requires that you be informed about the application(s).

Once the application is accepted by the DEC, it will be posted on the DEC Environmental Notice Bulletin (ENB) website at [ENB.VERMONT.GOV](https://enb.vermont.gov). You can sign up there to get updates as the application goes through the review process. Even if the application hasn't been sent in yet, you can still register for notifications in your area. Instructions can be found on the next page.

You may contact the property owner/applicant with questions about the activity. The contact information is listed below. The permit process includes a time for public comments and a chance to ask for a public meeting. This can be done through the ENB website once the applications are posted. Note that to appeal the final permit decision, you must submit a comment during the public comment period.

For more information, please visit [DEC.VERMONT.GOV/PERMITS/ENB/GENERAL](https://dec.vermont.gov/permits/enb/general). If you have questions or need help signing up on the ENB, call the DEC at (802) 828-1556 with the information below.

Understanding when permit applications will be shown on the ENB

- Permit applications are posted on the ENB website after all necessary information is received by the DEC. This means it might take a few weeks for the noticed activity to show up on ENB. Nearby property owners should check the website again one or two weeks after getting a notice in the mail. You can also sign up on the ENB to get updates about new activities in your town.

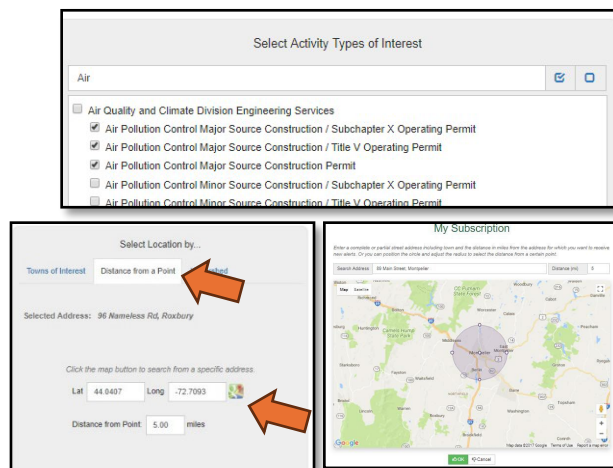

Register with the ENB

To register on the ENB and set up your subscription: please go through the following steps. There are illustrated instructions on Page 16 of [the ENB User Guide](#):

- Go to ENB.VERMONT.GOV
- Click **Register** on the upper right-hand side of the home page
- Enter the required information (name, email address and create password) and click **Register**
- You will receive an email confirmation for your email address. Once confirmed you will be able to log-in and set up your subscription.

Subscribe to ENB Notifications for New Activities in your Area

- Log into ENB and then click **My Subscription** at the top left-hand side of the home page
- Click **Modify Alerts** on the My Subscription page
- Click **Edit** for Alert #1
- Check the box next to the permits you are interested in receiving alerts for from the **Select Activity Types of Interest** list.
- Next, click the **Distance from a Point** tab under **Select Location by...** and click the **map** icon to set your location.
- Enter your own address in the **Search Address** field. Set the distance large enough to capture the project activity (1 mile, 5 miles, etc.)
- Click **OK** once the radius has been set
- Click **SAVE** on the next page, then Click **OK** to return the main subscription page.
- Once you receive an alert for an activity, you can choose to **Follow** the activity from your subscription page on the ENB

The top screenshot is titled "Select Activity Types of Interest" and shows a list of permit types with checkboxes. The bottom left screenshot is titled "Select Location by..." and shows the "Distance from a Point" tab selected. The bottom right screenshot is titled "My Subscription" and shows a map of Vermont with a search bar and a "Distance from Point" field.

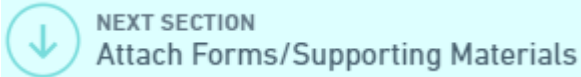

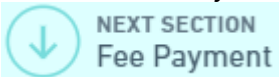

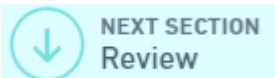

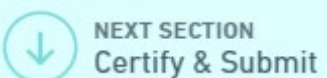

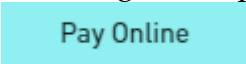

For additional instructions see the **User Guide** on ENB.VERMONT.GOV.

For help with registration please contact the ENB Administrator: ANR.ENBAdministrator@vermont.gov.
