

LAROSA PARTNERSHIP PROGRAM NEWSLETTER

UPDATES:

1. Survey results will stop being accepted on Monday, December 10th, so this is your last chance to fill it out if you haven't already.

2. New photos of partners out in the field have been uploaded to the website. Check them out!

REMINDERS:

1. Contact Kristen for help with GIS, data analysis, site selection for 2019, and anything else.

2. Send Kristen pictures from field work.

ABOUT THE LAROSA PARTNERSHIP PROGRAM

Since 2003, this partnership has helped watershed associations and monitoring groups across the state of Vermont implement new and/or ongoing surface water monitoring projects for waters in need of water quality assessment by helping to alleviate the financial burden of laboratory analysis costs.

QUESTIONS WE HAVE RECEIVED

Q: When are the final reports for 2018 due?

A: Final report due dates should be on your 2018 QAPP, but if you cannot find them this please email Kristen.

~GIS~

We have gotten some great feedback on the types of maps partners want to learn how to make and are considering offering a GIS workshop geared specifically towards LaRosa partner needs. Any additional ideas are welcome.

WEBSITE UPDATE! GIS guides specifically for ArcMap will now be available under the “Educational Materials” section of the LaRosa website. More will be uploaded as they are produced.
