

WHAT IS GOING ON IN YOUR WATERSHED?

2020 Basin 14 Watershed Plan Public Discussion

Public Discussion for Stakeholders

Learn where water quality restoration and protection efforts have been identified in your basin. Find out who your local watershed partners are and how you can help to protect surface water quality in your community. Join the Stevens, Wells, Waits, Ompompanoosuc & CT River Direct Tributaries (Basin 14) State Watershed Planner for a presentation and discussion on the 5-year update to the Basin 14 Tactical Basin Plan. Attendees are encouraged to provide feedback on the plan and its priorities. **All are welcome!** Join online at: shorturl.at/arwR2.
