

ECONOMIC IMPACT STATEMENT

Note: In completing the economic impact statement, an agency analyzes and evaluates the anticipated costs and benefits to be expected from adoption of the rule. Rules affecting or regulating public education and public schools must include cost implications to local school districts and taxpayers in the impact statement (see 3 V.S.A. § 832b for details). Where this form is insufficient for your purposes, please use additional sheets.

Please complete the following.

1. Title or subject of rule:
Air Pollution Control Regulations, Subchapter XI, Low Emission Vehicles - Regulations to Control Greenhouse Gas Emissions from Motor Vehicles
2. Agency:
Agency of Natural Resources
3. Please list categories of people, enterprises and government entities potentially affected by this rule and estimate for each the costs and benefits anticipated. If applicable, include small businesses, and complete items 4 and 5 of this sheet as well. Please be as specific as possible, giving full information on your assumptions, data base, and attempts to gather other information on the nature of the costs and benefits involved. Costs and benefits can include any tangible or intangible entities or forces which will make an impact on life without this rule.
See Attachment A
4. Please compare the economic impact of the rule with the economic impact of other alternatives to the rule, including no rule on the subject or a rule having separate requirements for small business.
See Attachment B
5. Flexibility statement: Please compare the burden imposed on small business by compliance with the rule to the burden which would be imposed by alternatives considered in 3 V.S.A. § 832a.
See Attachment C

CERTIFICATION: AS THE ADOPTING AUTHORITY (see 3 V.S.A. § 801(b)(11) for a definition) OF THIS RULE, I CONCLUDE THAT THIS RULE IS THE MOST APPROPRIATE METHOD OF ACHIEVING THE REGULATORY PURPOSE. IN SUPPORT OF THIS CONCLUSION, I HAVE ATTACHED ALL FINDINGS REQUIRED BY 3 V.S.A. § 832a and § 832b
