### Water Bottle Distribution Update

You are being provided this notice to inform you of the status of activities for the Pownal Fire District #2 water supply located in the Town of Pownal, Bennington County, VT.

Unicorn Management Consultants, LLC (UMC) will be providing bottled water to residences of the Pownal Fire District #2 municipal system that has been affected by PFOA contamination. Currently, bottled water is being provided to the affected residents by the State of Vermont. The residents can pick up the water at Fire District #2 until Monday, May 2, 2016.

### What's Next

UMC will begin supplying bottled water to each residential property of the Pownal Fire District #2 municipal system starting on Monday, May 2, 2016. A survey of the Pownal Fire District #2 municipal system residents will be performed on Thursday and Friday, April 28 and 29, 2016 to determine the volume of water needed for each location. Water will be provided for drinking and cooking as well as drinking for pets. UMC will have personnel canvassing the area on each day to determine the number of people to be served at each location and how often water needs to be resupplied.
