

## List of References and Publications

### **On-Site Wastewater Treatment and Disposal**

**U.S. Environmental Protection Agency** is a source for several publications and information related to onsite system design and management.

<http://water.epa.gov/infrastructure/septic/>

<http://water.epa.gov/infrastructure/septic/manuals.cfm>

2002 Onsite Wastewater Treatment Systems Design Manual:

<http://water.epa.gov/infrastructure/septic/technical.cfm>

### **National Small Flows Clearinghouse**

Funded by the USEPA, the NSFC helps America's small communities and homeowners solve their water supply and wastewater problems to protect public health

<http://www.nesc.wvu.edu/wastewater.cfm>

### **Decentralized Water Resources Collaborative and Water Environment Research Foundation**

These two organizations include EPA-funded decentralized wastewater research projects and deliverables:

<http://www.ndwrcdp.org/>

<http://www.werf.org/i/a/k/DecentralizedSystems.aspx>

### **New England Onsite Wastewater Training Program**

Located at the University of Rhode Island, this training center serves all New England States with classes at their facility and as sponsored in various locations throughout New England:

<http://www.uri.edu/ce/wq/OWT/>

### **USDA/NRCS Soil Survey Information**

For VT published Soil Survey Manuals:

<http://www.nrcs.usda.gov/wps/portal/nrcs/surveylist/soils/survey/state/?stateId=VT>

For Field Book for Describing and Sampling Soils, Version 3.0, September 2012:

[http://www.nrcs.usda.gov/wps/portal/nrcs/detail/soils/ref/?cid=nrcs142p2\\_054184](http://www.nrcs.usda.gov/wps/portal/nrcs/detail/soils/ref/?cid=nrcs142p2_054184)

For WebSoilSurvey Tool:

<http://websoilsurvey.nrcs.usda.gov/app/HomePage.htm>

## **New England Interstate Water Pollution Control Commission (NEIWPCC.ORG)**

Guides for Design of Wastewater Treatment Works, TR-16, 1998 Edition:

<http://www.neiwpcc.org/tr16guides.asp>

## **Consortium of Institutes for Decentralized Wastewater Treatment**

Often referred to as "The Onsite Consortium", CIDWT is a group of Educational Institutions cooperating on decentralized wastewater training and research efforts. Recent publications include a Decentralized Glossary and Decentralized System Performance and Costs

<http://www.onsiteconsortium.org/>

## **Individual and Potable Water Supply Systems**

### **USEPA Ground Water and Drinking Water Program**

<http://water.epa.gov/drink/info/well/>

### **USEPA Small Drinking Water Systems Handbook**

<http://nepis.epa.gov/EPA/html/DLwait.htm?url=/Exe/ZyPDF.cgi?Dockey=100046K6.PDF>

### **National Small Flows Clearinghouse**

The USEPA's **Smart About Water Program** contains information on water supply management and protection

<http://www.nesc.wvu.edu/smart/index.cfm>

**Private Water Systems Handbook**, University of Minnesota Extension Service, Fifth Edition, revised 2002

<http://extension.missouri.edu/p/MWPS14>

### **Water Systems Council**

**Water Systems Handbook**, 12<sup>th</sup> Edition, <http://www.watersystemscouncil.org/index.php>

These are general references only; more specific information may be available on individual topics.
