Classes of Designer Licenses are defined in the Wastewater System and Potable Water Supply Rules Subchapter 7

Class A - designer under Section 1-703(a)(2)

Class B - designer under Section 1-703(a)(3)

** Class B who is also able to do water system design work for more than just one single family residence on the lot.*

Note: Class 1 - professional engineers are licensed by the Board of Professional Engineers and are only listed here if they are also licensed as a Class A or B designer. See Section 1-703(a)(1)
