PUBLIC NOTICE - DRAFT UIC PERMIT 6-0075

A draft Underground Injection Control (UIC) permit renewal and amendment has been prepared for the discharge of **stormwater containing aircraft deicing fluid (ADF)** at **Burlington International Airport, South Burlington, Vermont**, under the provisions of the Underground Injection Control Rule, Chapter 11 of the Environmental Protection Regulations of the Department of Environmental Conservation. The permit applicant is the **City of Burlington, Burlington International Airport, 1200 Airport Drive, #1, South Burlington, Vermont, 05403. Contact: Gene Richards.**

A public comment period for the draft UIC permit begins on **March 23, 2016 and ends on April 21, 2016.** Comments must be made in writing and received by **4:30 p.m. on April 21, 2016.** Written comments should be submitted to UIC Program, 1 National Life Drive, Main 2, Montpelier, VT 05620-3521. Comments may be submitted via email to ANR.DWGWPDraftPermitComments@state.vt.us but must be submitted by 4:30 p.m. April 21, 2016. All comments will be considered in making the final decision on this application. A Response Summary will be prepared for all comments received and everyone who submits comments will receive a copy of the Response Summary if they provide their mailing address and/or e-mail address. Responses to submitted comments will be available to the public, by request, after the final permit is issued. A public informational meeting may be requested, in writing, during the public comment period. The person or persons requesting the public informational meeting shall state the nature of the issues to be raised at the meeting. The draft permit may be viewed on the website: <http://www.anr.state.vt.us/dec/dwgrp/noticesdraftuicid.htm>. The complete application, proposed permit, and other information are on file and may be inspected weekdays from 8:00 a.m. to 4:00 p.m., by calling (802) 477-3441 or emailing Darlene.Autery@Vermont.gov. Paper copies will be made at a cost based upon the current Secretary of State, Official Fee Schedule for Copying Public Records.

At the conclusion of the public notice period and after consideration of additional information received during the public notice period, the Drinking Water & Groundwater Protection Division will make a final determination. Pursuant to 10 V.S.A. Chapter 220, any appeal of this decision must be filed with the clerk of the Environmental Court within 30 days of the date of the decision.
