NOTES:

¹The Applicant is the legal entity that is responsible for and has operational control of the Public Community Water System that supplies water to the Consecutive Water System (the Wholesaler). The Applicant is responsible for the water quality provided to the Applicant's Water System.

²Contact Person is a legally authorized representative designated to receive correspondence from the Division regarding the Water System.

³The Consecutive Water System is the water system that receives water from the Wholesaler's (Applicant's) Water System. The Responsible Entity for the Consecutive Water System is the legal entity that owns and is responsible for maintenance of the Consecutive Water System. The Responsible Entity either has or does not have Operational Control of the Consecutive Water System. For the purposes of this application, Operational Control includes completing required water quality monitoring, providing consumer confidence reports to the water system's users, issuing public notice as required, and operating and maintaining infrastructure according to an agreement established with the Applicant.

⁴If a WSID has not yet been assigned by the Division, write 'NEW SYSTEM.'
