

**Certification of No Required Notification
(Notification Form 5)**

An applicant is required to complete and submit this certification with a permit application to the Regional Office when notification is not required.

I hereby certify that notification of presumptive isolation zones is not required under § 1-307 of the Wastewater System or Potable Water Supply Rules either because the presumptive isolation zones for potable water supplies and/or wastewater systems proposed in my application do not extend onto property other than the property for which I am seeking a permit or permit amendment or because there is an applicable exemption to the notification requirement in § 1-307.
