

Guidance for Worksheet 10 - Performance Goals

Worksheet 10 is one of three Worksheets comprising the Plan Summary and must be submitted to the Environmental Assistance Office.

Vermont's planning law requires that companies set *Performance Goals* for opportunities that are determined to be technically and economically feasible. Since plans are meant to be working documents, goals can always be revised to address changing conditions.

Show any *Selected Opportunities* and *Opportunities Requiring Further Investigation* on Worksheet 10.
