VTDEC Brownfields Response Program Application for Funding

A. APPLICANT INFORMATION

1. Name: _____
2. Address: _____
3. Phone number: _____
4. E-mail address: _____
5. Legal interest in the property to be redeveloped:
 Owner Purchaser Other

If the applicant is not the current owner, provide a brief description of how applicants interest in the property is established (e.g., through a purchase and sale agreement, option agreement, etc.), and confirm that applicant is authorized to access the property to perform the work for which assistance is sought (attach completed property access agreement)

6. Applicant's contact person for purposes of application:

7. Name and address of property owner, if owner is not the applicant:

B. PROPERTY INFORMATION

1. Property address and SPAN (if known): _____
2. Size of property (in acres): _____
3. VTDEC Sites Management Section (SMS) Site Number for property: _____

C. REQUESTED FUNDING

1. Type of work being requested:

A site may receive VTDEC Brownfield funds without having enrolled in BRELLA if assessment work is being conducted.

Phase I ESA

Phase II ESA

An applicant must be enrolled in BRELLA if applying for funds for corrective action planning and implementation.

Evaluation of Corrective Action Alternatives

Corrective Action Planning

Corrective Action Implementation

Area Wide Planning

Other*

**If other, please explain:* _____

2. Estimated cost of requested work (can be unknown, priority is given to requests with more detail):

3. Briefly describe any previously completed environmental investigation work:

D. APPLICANT REQUIREMENTS

1. Please describe the redevelopment or reuse plan and attach supporting documents (e.g. conceptual drawings). If a plan is not available at the time of application, please explain why:

2. Anticipated start date of requested work:

Do you have a deadline by which this work must be completed?

Yes*

No

**If yes, please indicate date by which work must be complete:*

3. Describe how the requested funding will help to advance the planned redevelopment or reuse:

E. ADDITIONAL REQUESTED INFORMATION

1. Identify project aspects that will positively impact the environment (i.e green remediation practices, wetland enhancements, protection of endangered/threatened species, reuse of infrastructure, preservation of greenspace, etc.).

2. Has the [Regional Planning Commission](#) been contacted for funding?

- Yes* No

**If the project is located in a funded region, the application should show that funding was requested from the RPC first, and if the request was accepted, denied or only partially approved.*

3. Identify other funding sources to be utilized in the completion of this project, including source and intended use of each (i.e. site investigation, design work, remediation, construction, etc.).

4. Is the project located within a town of less than 10,000 residents?

- Yes No

5. Is the project located in a designated downtown, village center, or neighborhood development area?

- Yes No

6. Will this project result in the creation of housing or mixed-use development?

- Yes* No

**If yes, please explain:* _____

7. Is the property enrolled in the Brownfields Reuse and Environmental Liability Limitation Act (BRELLA) program?

- Yes No

8. Will the project assist a low-income or [Environmental Justice](#) community?

- Yes* No

**If yes, please explain:* _____

9. Does the project have community and/or municipal support, if applicable?

Yes*

No

Not applicable

**If yes, please explain:*

10. Is the project expected to create jobs?

Yes*

No

**If yes, please explain:*

11. Will VTDEC and our contractors be able to access the property?

Yes*

No

**If yes, please attach a signed access agreement, included at the end of this application.*

12. Climate Adaptation and Mitigation - Do any activities incorporate strategies to address climate change impacts? Indicate all activities that apply.

F. ATTACHMENTS

List all attachments that are included in support of this application, and provide any additional information:

G. APPLICANT REPRESENTATIONS AND SIGNATURE

The applicant, by signing and submitting this application, makes the following representations with the understanding that the Vermont Department of Environmental Conservation will rely on this information for the purpose of evaluating this application. The applicant understands and acknowledges that should any of these representations be untrue, the VTDEC may rescind any award of assistance and, at the VTDEC's sole discretion, pursue any other appropriate remedy or relief.

1. All information contained in this application, including attachments, is true and complete to the best of the applicant's knowledge and belief.
2. The applicant's redevelopment plan for the property is as represented in this application.
3. The applicant will execute the attached access agreement within 30 days of notification of an award of assistance.
4. The applicant (including its principals, owners, directors, affiliates and subsidiaries) has not directly or indirectly caused or contributed to any releases of hazardous materials at the property for which funding assistance is requested through this application.

CONSENT FOR ACCESS TO PROPERTY

Property Address: _____

Current Owner: _____

I hereby give consent to the officers, employees, agents, contractors, subcontractors, consultants, and other authorized representatives of the State of Vermont for entering and having continued access to the above referenced property for the following purposes:

- Compiling and verifying any data or information submitted to the State of Vermont;
- Conducting investigations relating to contamination or suspected contamination at the Site;
- Collecting samples of groundwater, surface water, sediments, soil, air, or any other material that may be a source of contamination or potentially impacted by the release of hazardous substances, pollutants, or contaminants from the Site;
- Installation of monitoring wells and/or piezometers, surface water flow and quality measuring devices, or ambient air quality devices;
- Conducting test pit excavations;
- Assessing the need for planning or implementing additional response actions at or near the Site.

I realize that the actions taken by the State of Vermont are taken pursuant to the corrective action and liability authorities under the Vermont Waste Management Act 10 V.S.A. § 6601 et. seq.

I give this written permission voluntarily with knowledge of my right to refuse, and without threats or promises of any kind.
