

Fluorescent Light Bulbs

These contain mercury.

Ask your hardware store or trash drop-off if they collect fluorescent bulbs or find a collection location at www.lamprecycle.org

Collection locations accept unlimited compact fluorescent light bulbs (CFLs).

Each day, they accept up to 10:

- Fluorescent Tubes
- Circulines
- High Intensity Discharge (HID)
- Mercury Vapor
- U-Tube

Thermostats

Many older thermostats contain mercury.

Get \$5 for every mercury thermostat dropped off!

Ask your hardware store or trash drop-off if they collect mercury thermostats or find a collection location at www.thermostat-recycle.org

Drop off the entire mercury thermostat. You will receive either a \$5 in-store credit or a rebate.

FREE
COLLECTION

Fluorescent light bulbs, mercury-containing thermostats, paint, certain electronics, and certain batteries are banned from disposal in the trash.

These items should be brought to free collection sites, including at many transfer stations and hardware stores.
