Solid Waste & COVID-19 State of Emergency

During the COVID-19 state of emergency, the Vermont Department of Environmental Conservation (DEC) asks the public to please take the following precautions when visiting solid waste facilities and drop offs.

- **Only visit if you are healthy.**
- **Call before you head out to check hours of operation and available services.** Many facilities have reduced their hours and/or changed their operations.
- **Practice social distancing by keeping at least 6 feet of space between other customers and staff.**
- **Wear a mask when visiting transfer stations, drop offs and other solid waste facilities.**
- **When possible, stay in your vehicle while waiting at the scales or in line to drop your trash.**
- **If you need to enter a building, follow the facility’s restrictions for number of persons at one time.**
