## UNDERGROUND STORAGE TANK (UST) CONTRACTORS

This list is provided only as a convenience to tank owners by the [State of Vermont's](#) Underground Storage Tank (UST) Section of the Hazardous Materials Program. UST section does not license nor certify Underground Storage Tank (UST) contractors and does not endorse the contractors on this list. **This document should not be construed as a list of "approved" contractors.** The UST Program strongly encourages all tank owners to contact several contractors and to ask for references. Services provided by contractors may change without the UST Programs knowledge at any time.
