

## **APPENDIX B**

### **Appendix B1-Financial responsibility and capability; discussion and forms**

#### **A. Discussion**

Any person or entity who owns or operates a solid waste facility, is required under 10 VSA, Subsection 6611, to provide financial assurance in such form and amount as the Secretary of the Agency of Natural Resources may determine to insure that, upon abandonment, cessation or interruption of the operations of the facility, adequate funds are available to undertake all appropriate measures to prevent present and future damage to public health and safety and to the environment. This requirement is not applicable to wastewater treatment biosolids land application sites. The costs to be provided for will include the costs of closure and post-closure maintenance of landfills, waste transfer stations, recycling facilities and any other waste treatment or handling facilities identified by the Secretary. This financial assurance will be provided through the execution of one or a combination of the financial responsibility instruments which are described in Subchapter 9 and in Appendix A of the Vermont Solid Waste Management Rules. Sample copies of some of the documents which are required to be submitted are attached herewith. These financial responsibility guidelines are intended only as a supplement to the aforementioned publications.

It must be stressed that responsibility for maintaining valid financial responsibility instruments as specified in the Solid Waste Management Rules rests solely with the owner or operator. They are responsible for initiating the instruments, maintaining them for the length of time specified in the Rules, providing substitute instruments if required, insuring that any changes in the estimates of the costs which the instruments provide for are reflected in the instruments, providing the originals or copies (as appropriate) to the Secretary, and of notifying the Secretary of any changes in costs or conditions which affect the ability of the owner or operator to provide the required level of financial assurance.

#### **B. Financial Assurance Documentation for Public Facilities**

Financial assurance for facilities owned or operated by the State of Vermont, Vermont municipalities, Union Municipal Districts under 24 VSA, Chapter 121, or by other public entities is provided through a documentation of financial capability. The following documents are required:

1. To be submitted annually:
  - a. Auditor's Annual Report or a report containing at the minimum the information required of municipalities by 24 VSA, Sections 1681 through 1683.
  
2. To be submitted biennially:
  - a. A letter from the town treasurer or the chief financial officer detailing income and expense for the owned or operated solid waste facility and certifying that the entity will be financially capable of meeting estimated closure and post-closure costs.
  
  - b. A letter from the entity's auditor or independent certified public accountant expressing an opinion as to the entity's financial capability of meeting estimated costs of closure and post-closure.

### C. Financial Assurance Documentation for Private Facilities

The requirements and procedures by which private owners and operators of solid waste facilities will provide financial assurance are specified in Appendix A of the Solid Waste Management Rules. Private owners and operators can provide financial assurance through one or a combination of the following financial responsibility instruments:

1. Trust fund (Document 1) maintained by the applicant for the benefit of the agency with a surety bond (Document 2) guaranteeing full payment into the fund.
2. Surety bond guaranteeing performance of closure or post-closure care. (Document 3)
3. An irrevocable standby letter of credit. (Document 4)
4. Financial test and corporate guarantee which requires the following documentation:
  - a. A letter from the chief financial officer. (Document 5)
  - b. A copy of the auditor's opinion expressed on the corporations most recent annual financial statements.
  - c. A special report from the applicant's independent auditor.
  - d. If available, the latest form 10-K submitted to the SEC.
5. Escrow agreement with annuity payments. (Document 6).
6. Escrow agreement established with lump sum payment. (Document 7).
7. Other financial responsibility instruments deemed appropriate by the Secretary.

## TRUST AGREEMENT

Trust Agreement, the "Agreement," entered into as of [date] by and between [name of owner or operator], a [name of State] [insert "corporation," "partnership," "association," or "proprietorship"], the "Grantor," and [name of corporate trustee], [insert "incorporated in the State of \_\_\_" or "a national bank"], the "Trustee."

Whereas, the Agency of Natural Resources, "ANR," an Agency of the State of Vermont, has established certain regulations applicable to the Grantor, requiring that an owner or operator of a solid waste management facility shall provide assurance that funds will be available when needed for closure and post-closure care of the facility,

Whereas, the Grantor has elected to establish a trust to provide all or a part of such financial assurance for the facility identified herein,

Whereas, the Grantor, acting through its duly authorized officers, has selected the Trustee to be the trustee under this agreement, and the Trustee is willing to act as a trustee,

Now, Therefore, the Grantor and the Trustee agree as follows:

**Section 1. Definitions.** As used in this agreement:

(a) The term "Grantor" means the owner or operator who enters into this agreement and any successors or assigns of the Grantor.

(b) The term "Trustee" means the Trustee who enters into this agreement and any successor Trustee.

**Section 2. Identification of Facilities and Cost Estimates.** This agreement pertains to the [name of facility], [Vermont SWMF ID. #], located at [address]. The current closure cost estimate is [amount] and the current post-closure cost estimate is [amount]. These amounts were established by [identify document].

**Section 3. Establishment of the Fund.** The Grantor and the Trustee hereby establish a trust fund, the "Fund," for the benefit of the State of Vermont. The Grantor and the Trustee intend that no third party have access to the Fund except as herein provided. The Fund will be established with the initial deposit by the Grantor of the sum of [amount in U.S. Funds] and monthly deposits of [amount in U.S. Fund] to be paid on the first day of each subsequent month. All deposits subsequently transferred to the Trustee are referred to as the Fund, together with all earnings and profits thereon, less any payments or distributions made by the Trustee pursuant to this agreement. The Fund shall be held by the Trustee, IN TRUST, as hereinafter provided. The Trustee shall not be responsible nor shall it undertake any responsibility for the amount or adequacy of, nor any duty to collect from the grantor, any payments necessary to discharge any liabilities of the Grantor established by the ANR.

**Section 4. Payment for Closure and Post-closure Care.** The Trustee shall make payments from the fund as the Secretary of the ANR shall direct, in writing, to provide for the payment of the costs of closure and post-closure care of the facility covered by this agreement. The Trustee shall reimburse the Grantor or other persons as specified by the Secretary from the Fund for closure and post-closure expenditures in such amounts as the Secretary directs in writing. In addition, the Trustee shall refund to the Grantor such amounts as the Secretary specifies in writing. Upon refund, such funds shall no longer constitute part of the Fund as defined herein.

**Section 5. Payments Comprising the Fund.** Payments made to the Trustee for the Fund shall consist of cash or securities acceptable to the Trustee.

**Section 6. Trustee Management.** The Trustee shall invest and reinvest the principal and income from the Fund and keep the Fund invested as a single fund, without distinction between principal and income, in accordance with general investment policies and guidelines which the Grantor may communicate in writing to the Trustee from time to time, subject, however, to the provisions of this section. In investing, reinvesting, exchanging, selling, and managing the Fund, the Trustee shall discharge his duties with respect to the trust fund solely in the interest of the beneficiary and with the care, skill, prudence, and diligence under the circumstances then prevailing which persons of prudence, acting in a like capacity and familiar with such matters, would use in the conduct of an enterprise of a like character and with like aims; except that:

(i) Securities and other obligations of the Grantor, or any other owner or operator of the facility, or any of their affiliates as defined in the Investment Company Act of 1940, as amended, 15 U.S.C. 80a.-2.(a), shall not be acquired or held, unless they are securities or other obligations of the Federal or a State government;

(ii) The Trustee is authorized to invest the Fund in time or demand deposits of the Trustee, to the extent insured by an agency of the Federal or State government; and

(iii) The Trustee is authorized to hold cash awaiting investment or distribution un-invested for a reasonable time and without liability for the payment of interest thereon.

**Section 7. Commingling and Investment.** The Trustee is expressly authorized in its discretion:

(a) To transfer from time to time any or all of the assets of the Fund to any common, commingled, or collective trust fund created by the trustee in which the Fund is eligible to participate, subject to all the provisions thereof, to be commingled with the assets of other trusts participating therein; and

(b) To purchase shares in any investment company registered under the Investment Company Act of 1940, 15 U.S.C. 80a-1 et seq., including one which may be created, managed, underwritten, or to which investment advice is rendered or the shares of which are sold by the Trustee. The Trustee may vote such shares in its discretion.

**Section 8. Express Powers of Trustee.** Without in any way limiting the powers and discretions conferred upon the Trustee by the other provisions of this agreement or by law, the Trustee is expressly authorized and empowered:

(a) To sell, convey, exchange, transfer, or otherwise dispose of any property held by it, by public or private sale. No person dealing with the Trustee shall be bound to see to the application of the purchase money or to inquire into the validity or expediency of any such sale or other disposition;

(b) To make, execute, acknowledge, and deliver any and all documents of transfer and conveyance and any and all other instruments that may be necessary or appropriate to carry out the powers herein granted;

(c) To register any securities held in the Fund in its own name or in the name of a nominee and to hold any security in bearer form or in book entry, or to combine certificates representing such securities with certificates of the same issue held by the Trustee in other fiduciary capacities, or to deposit or arrange for the deposit of such securities in a qualified central depository even though, when so deposited, such securities may be merged and held in bulk in the name of the nominee of such depository with other securities deposited therein by another person, or to deposit or arrange for the deposit of any securities issued by the United States Government, or any agency or instrumentality thereof, with a Federal Reserve bank, but the books and records of the Trustee shall at all times show that all such securities are part of the Fund;

(d) To deposit any cash in the Fund in interest-bearing accounts maintained or savings certificate issued by the Trustee, in its separate corporate capacity, or in any other banking institution affiliated with the Trustee, to the extent insured by an agency of the Federal or State government; and

(e) To compromise or otherwise adjust all claims in favor of or against the Fund.

**Section 9. Taxes and Expenses.** All taxes of any kind that are assessed or levied against or in respect of the Fund and all brokerage commissions incurred by the Fund shall be paid by the Fund. All other expenses incurred by the Trustee in connection with the administration of this Trust, including fees for legal services rendered to the Trustee, the compensation of the Trustee to the extent not paid directly by the Grantor, and all other proper charges and disbursements of the Trustee shall be paid from the Fund.

**Section 10. Annual Valuation.** The Trustee shall annually, at least 30 days prior to the anniversary date of establishment of the Fund, furnish to the Grantor and to the Secretary of the ANR a statement confirming the value of the Trust. Any securities in the Fund shall be valued at market value as of no more than 60 days prior to the anniversary date of establishment of the Fund. The failure of the Grantor to object in writing to the Trustee within 90 days after the statement has been furnished to the Grantor and the Secretary shall constitute a conclusively binding assent by the Grantor, barring the Grantor from asserting any claim or liability against the Trustee with respect to matters disclosed in the statement.

**Section 11. Advice of Counsel.** The Trustee may from time to time consult with counsel, who may be counsel to the Grantor, with respect to any question arising as to the construction of this agreement or any action to be taken hereunder. The Trustee shall be fully protected, to the extent permitted by law, in acting upon the advice of counsel.

**Section 12. Trustee Compensation.** The Trustee shall be entitled to reasonable compensation for its services as agreed upon in writing from time to time with the Grantor.

**Section 13. Successor Trustee.** The Trustee may resign or the Grantor may replace the Trustee, but such resignation or replacement shall not be effective until the Grantor has appointed a successor trustee and the successor accepts the appointment. The successor trustee shall have the same powers and duties as those conferred upon the Trustee hereunder. Upon the successor trustee's acceptance of the appointment, the Trustee shall assign, transfer, and pay over to the successor trustee the funds and property constituting the Fund. If for any reason the Grantor cannot or does not act in the event of the resignation of the Trustee, the Trustee may apply to a court of competent jurisdiction for the appointment of a successor trustee or for instructions. The successor Trustee shall specify the date on which it assumes administration of the trust in a writing sent to the Grantor, the Secretary of the ANR, and the present Trustee by certified mail 10 days before such change becomes effective. Any expenses incurred by the Trustee as a result of any of the acts contemplated by this Section shall be paid as provided in Section 9.

**Section 14. Instructions to the Trustee.** All orders, requests, and instructions by the Grantor to the Trustee shall be in writing, signed by such persons as are designated by the Grantor. The Trustee shall be fully protected in acting without inquiry in accordance with the Grantor's orders, requests, and instructions. All orders, requests, and instructions by the Secretary of the ANR to the Trustee shall be in writing, signed by the Secretary, and the Trustee shall act and shall be fully protected in acting in accordance with such orders, requests, and instructions. The Trustee shall have the right to assume, in the absence of written notice to the contrary, that no event constituting a change or a termination of the authority of any person to act on behalf of the Grantor or ANR

hereunder has occurred. The Trustee shall have no duty to act in the absence of such orders, requests, and instructions from the Grantor and/or ANR, except as provided herein.

**Section 15. Notice of Nonpayment.** The Trustee shall notify the Grantor and the Secretary of the ANR, by certified mail within 10 days following the expiration of the 30-day period after the anniversary of the establishment of the Trust, if no payment is received from the Grantor during that period. After the payment period is completed, the Trustee shall not be required to send a notice of nonpayment.

**Section 16. Amendment of Agreement.** This Agreement may be amended by an instrument in writing by the Grantor, the Trustee, and the Secretary of the ANR, or by the Trustee and the Secretary if the Grantor ceases to exist.

**Section 17. Irrevocability and Termination.** Subject to the right of the parties to amend this Agreement as provided in Section 16, this Trust shall be irrevocable and shall continue until terminated at the written agreement of the Grantor, the Trustee, and the Secretary of the ANR, or by the Trustee and the Secretary, if the Grantor ceases to exist. Upon termination of the Trust, all remaining trust property, less final trust administration expenses, shall be delivered to the Grantor.

**Section 18. Immunity and Indemnification.** The Trustee shall not incur personal liability of any nature in connection with any act or omission, made in good faith, in the administration of this Trust, or in carrying out any directions by the Grantor or the Secretary of the ANR issued in accordance with this Agreement. The Trustee shall be indemnified and saved harmless by the Grantor or from the Trust Fund, or both, from and against any personal liability to which the Trustee may be subjected by reason of any act or conduct in its official capacity, including all expenses reasonably incurred in its defence in the event the Grantor fails to provide such defense.

**Section 19. Choice of Law.** This Agreement shall be administered, construed, and enforced according to the laws of the State of Vermont.

**Section 20. Interpretation.** As used in this Agreement, words in the singular include the plural and words in the plural include the singular. The descriptive headings for each Section of this Agreement shall not affect the interpretation or the legal efficacy of this Agreement.
