Dear Fred, Eric and Ray:

RE: Quiet Lakes Petition

As the Board noted shortly after this petition was filed and more recently in its letter of October 28, 1994, the filing of the "Quiet Lakes Petition" was never "perfected" in that all the information required by the Board's Procedural Rules governing such petitions has not been submitted. Since that information was not submitted by the January 1, 1995 deadline, the Board at its meeting on January 2, 1995 voted unanimously to dismiss this filing.

Enclosed for your information are some additional procedures related to the filing of petitions seeking the adopt of rules regulating the use of public waters that the Board has adopted since the Quiet Lakes Petition was filed. All future petitions will need to comply with these new procedures as well as the Board's other applicable procedural rules.

If you have any questions regarding this matter, please contact me at the above address or by telephone at 828-2871.

Sincerely,

A handwritten signature in cursive script, appearing to read "William A. Bartlett".
