

Vermont's Clean Water Funding

Vermont's Clean Water Funding helps municipalities, farmers, and others implement projects that will **reduce pollution** washing into Vermont's waters. Beyond reducing water pollution, clean water projects also:

- Protect public health and safety
- Support Clean Water Act compliance
- Increase flood resilience
- Enhance recreation
- Improve fish and wildlife habitat
- Save money over the long-term
- Leverage federal funds

FISCAL YEAR 2022 BUDGET PROCESS

*Clean Water Board Meeting

Recommendations for how state Clean Water Funding is allocated are made by the **Clean Water Board**, with representation from **five state agency secretaries**:

- Agency of Administration
- Agency of Agriculture, Food and Markets
- Agency of Commerce and Community Development
- Agency of Natural Resources
- Agency of Transportation

In addition, **four members of the public** are appointed by the Governor.
