

Vermont Aquatic Nuisance Control Grant-in-Aid Program, 2024

II. A. Greeter Project Sheet

Town – Waterbody:

For more information and details to answer the questions below, please refer to the ANC Grant Manual.

1. Public Access Greeter Program Information

<i>Access Details</i>	
Official Access Name(s):	
Ownership of Access (State, municipal, etc.):	
<i>Greeter Program Specifics</i>	
Proposed program start and end date:	Check Days Open Below M Tu We Th Fr Sa Su
Proposed number of staffed hours/week:	
Proposed number of greeters to be hired:	
Proposed number of total greeter hours:	
Greeter coordinator and contact information:	

2. Public Access Greeter Program Roles and Responsibilities – Identify those working on the project and their responsibilities. Be sure to list their contact information and when they last attended a VTDEC Greeter Program Training. Include whether a decontamination unit will be used, or if any large equipment or storage shed will be purchased.

3. Additional Local Efforts – Provide a brief summary of the project, the local support for the project, and indicate any additional active programs that are utilized locally to improve water quality.

4. Equipment Loans – Decontamination Unit and/or VTDEC Greeter Program I-Pad - If interested in borrowing equipment, describe how this equipment is necessary and how the equipment will be properly maintained, stored, and returned at the end of the season. A Temporary Equipment Use Request Form must be included with the application.

5. Additional Greeter Program Training – Describe any additional training or technical support (for example a Decontamination Demonstration/Visit) beyond the required trainings.

Please include a Budget Sheet for this Project
