2015 Vermont Public Access Greeter Program Summary Reporting Form

Complete both sides

2015 Program Summary

1. Name(s) of 2015 Greeter Program Coordinator(s): _____

2. Total number of boats inspected in 2015: _____

3. Number of inspected watercraft (launching or retrieving) that were found to be carrying *any* plant or animal material:

   Number carrying plant/animal material when **launching**: _____

   Number carrying plant/animal material when **retrieving**: _____

4. In the table below, please provide information about all incidents in which invasive species were suspected and/or confirmed.

Date	Was watercraft launching or retrieving? (circle one)	If launching, last waterbody visited	Invasive species suspected (indicate Eurasian watermilfoil, zebra mussel, etc.)	Photo/sample submitted to DEC for confirmation?	Comments
