

Shoreland Project Registration Application

Under Chapter 49A of Title 10, § 1441 et seq.

For Shoreland Permitting Use Only

Application Number:

Public Recording: To prevent a potential title encumbrance, an approved copy of this registration form must be recorded in the land records of the municipality (or municipalities) in which the project is located. Be advised that registrations shall take effect 15 days after being accepted by Shoreland Permitting unless additional information is requested or the applicant is notified that an individual permit is required for the proposed project.

Submission of this registration constitutes notice that the person in Section A intends to create impervious surface and/or cleared area within the Protected Shoreland Area, and certifies that the project will comply with Chapter 49A of Title 10, § 1446(a). All information requested on this registration form must be provided, and the requisite **\$100.00** registration fee must be submitted made payable to the State of Vermont, to be deemed complete. Refer to The Vermont Shoreland Protection Act - A Handbook for Shoreland Development and related instructions for guidance in completing this registration application.

Limitation: The registration process *cannot* be used to create more than a *maximum total per parcel* of:

- **Category A:** 100 square feet of impervious surface or cleared area between 25 feet and 100 feet of the mean water level; and
- **Category B:** 500 square feet of impervious surface or cleared area between 100 feet and 250 feet from mean water level.

A project may be eligible for registration as Category A, B, or both. A project within 100 feet of mean water level is considered Category A. A project at least 100 feet away is considered Category B. See page 2 for details.
