1 National Life Drive, Davis 3
Montpelier, VT 05620-3522
Attn: Bethany Sargent

To Whom It May Concern:

I am one of the property owners who is affected by the proposed reclassification of Blue Bank Brook from B(2) to A(1). Access to my land crosses the brook. All of my land is in the watershed of Blue Bank Brook. The proposed reclassification may affect both access to my land and use of my land. Therefore, I request that the proposed reclassification be denied.

Sincerely,

John Barrows
