

## Notice of Document Availability for Public Comment

### ***Jay Peak Resort: 2017 Water Quality Remediation Plan Update***

The Watershed Management Division is making available for public comment [Jay Peak Resort's 2017 Water Quality Remediation Plan Update](#). A Water Quality Remediation Plan (WQRP) has been developed to address water quality impairments to streams near Jay Peak Resort. The WQRP sets forth on the ground actions to be taken to improve water quality as well as a monitoring plan to track improvements. The ultimate goal of the WQRP is to return the impaired streams to compliance with the Vermont Water Quality Standards.

In accordance with the Division's "Procedure for Water Quality Remediation Plans", a comment period has been established to receive written comment on the above plan. After the close of the comment period, the Division will consider all public comments and shall prepare a written response to comments. **The deadline for comment submittal is July 14, 2017.**

The latest water quality monitoring results (2016) are available [here](#) for review.

A public meeting will be held **10:00 AM on June 27th, 2017 at the Hotel Jay** to present and discuss the results of the WQRP monitoring results and future steps.

Written comments can be addressed to:
