RE: Section 401 Water Quality Certification:
Snowmaking expansion and interconnect of Killington/Pico snowmaking system

Dear Mr. Temple:

Attached you will find a copy of the water quality certification for the expansion of the Killington/Pico snowmaking system, issued by the Department of Environmental Conservation. You should carefully review the certification, particularly the conditions in the Decision and Certification section.

Please contact me should you have any questions.

Very truly yours,

Jeffrey B. Crocker

Supervision River Ecologist
