Jay Peak Resort: 2015 Water Quality Monitoring Plan Performance Report

The Watershed Management Division is making available for public comment ***Jay Peak Resort's 2015 Water Quality Monitoring Plan Performance Report***. A Water Quality Remediation Plan (WQRP) has been developed to address water quality impairments to streams in the vicinity of Jay Peak Resort. The WQRP sets forth on the ground actions to be taken to improve water quality as well as a monitoring plan to track improvements. The ultimate goal of the WQRP is to return the impaired streams to compliance with the Vermont Water Quality Standards.

In accordance with the Division's "Procedure for Water Quality Remediation Plans", a comment period has been established to receive written comment on the above plan. After the close of the comment period, the Division will consider all public comments and shall prepare a written response to comments. **The deadline for comment submittal is June 17, 2016.**

A public meeting will be held **9:30 AM on May 20, 2016 at the Jay Peak Resort Valhalla Room (4th Floor Hotel Jay at Tramside Base)** to present and discuss the results of the WQRP monitoring results and future steps.
