

Registration Form

for Expired 3-Acre Permits in Stormwater Impaired Waters Pursuant to **General Permit 3-9050**

Please note that this Registration is only applicable to permits for “three-acre sites” in stormwater-impaired waters that expired prior to 12/1/2020.

Pursuant to Subpart 2.6.B. of General Permit 3-9050, a project subject to Subpart 1.3.D (“3-acre Permits”), where such project was previously permitted and the authorization or individual permit has expired as of the effective date of December 1, 2020, is authorized to discharge under the general permit as of December 1, 2020 without submitting a Notice of Intent, provided the permittee submits this registration no later than March 1, 2021 and a complete application for permit coverage no later than December 1, 2021. **Note: all fields are required unless otherwise indicated. Please complete a separate Registration Form for each permit.**

Section A. Applicant Information

The applicant(s) shall include the owner. If the applicant is a business, the business must be registered with the Vermont Secretary of State. If the application is made in connection with a multi-lot project, the owners' association accepting responsibility for the stormwater management system shall apply as co-applicants [§22-302(b)(3)(A)(iii)].
