

PUBLIC NOTICE

The Agency of Natural Resources (ANR) hereby provides public notice of the draft General Permit 3-9040 for Stormwater Discharges from Municipal Roads (MRGP). The draft MRGP covers stormwater discharges from all municipal roads, Classes 1-4. The MRGP was developed as one of the Act 64, the Vermont Clean Water Act, required programs to improve water quality statewide. The MRGP identifies, prioritizes, and remediates stormwater runoff from municipal roads.

Upon issuance of the final MRGP, municipalities are required to submit a Notice of Intent (NOI) to the Agency to obtain coverage under the re-issued MRGP.

The public is invited to provide written comment on the draft MRGP starting September 9, 2022 through the close of business (4:30pm) on October 24, 2022.

Written comments on the draft MRGP should be emailed to Jim Ryan at jim.ryan@vermont.gov or mailed to:
