

## **PUBLIC NOTICE**

The Agency of Natural Resources (ANR) hereby provides public notice of the draft General Permit 3-9007 for Stormwater Discharges from the Transportation Separate Storm Sewer System (TS4 General Permit). The draft TS4 General Permit covers stormwater discharges from all Vermont Agency of Transportation (VTrans) owned and controlled impervious surfaces. Concurrently, ANR hereby provides public notice of its draft designation of previously unpermitted VTrans' owned and controlled impervious surfaces requiring coverage under a stormwater discharge permit.

Upon issuance of the final TS4 General Permit and TS4 designation, VTrans is required to submit within one year a Notice of Intent (NOI) to the Agency to obtain coverage under the TS4 General Permit.

The public is invited to provide written comment on the draft TS4 General Permit through the close of business (4:30pm) on Wednesday, December 7, 2016.

Written comments on the draft TS4 General Permit should be emailed to Christy Witters at [christy.witters@vermont.gov](mailto:christy.witters@vermont.gov) or mailed to:

Christy Witters  
DEC Stormwater Program  
1 National Life Drive, Main 2  
Montpelier, VT 05620-3522

A public information meeting will be held on Tuesday, December 6, from 1 to 3 pm, at the ANR Annex located at [190 Junction Road, Berlin VT](#).

A copy of the TS4 General Permit and related documents may be downloaded from: <http://dec.vermont.gov/watershed/stormwater/permit-information-applications-fees>

Hard copies of the draft General Permit and related documents may be obtained upon request. Requests and questions should be sent to the email above or directed to 802-490-6173.
