

VERMONT AGENCY OF NATURAL RESOURCES  
DEPARTMENT OF ENVIRONMENTAL CONSERVATION  
RESPONSE TO COMMENTS ON DRAFT GENERAL PERMIT 3-9007 FOR  
STORMWATER DISCHARGES FROM THE STATE TRANSPORTATION SEPARATE  
STORM SEWER SYSTEM (TS4)  
November 29, 2017

The Department of Environmental Conservation issued the Draft Transportation Separate Storm Sewer System (TS4) General Permit for public comment on October 23, 2017. The Department held a public hearing to solicit public comments on the draft permit on November 21, 2017 and the public comment period closed on November 22, 2017. The Department received one written comment from the Two Rivers-Ottawaquechee Regional Commission on the Draft Permit. The following is the public comment received and the Department's response.

1. We support the changes that are being proposed, especially removing the term "economically" from the definition of feasible.

Response: Comment noted.
