

# **NOTICE**

## **POTENTIAL THREAT TO PUBLIC HEALTH**

**There was recently a less than fully treated sewage discharge from a Wastewater Treatment Facility or other unpermitted discharge upstream of this public access area.**

**This sign has been temporarily posted to warn of a potential threat to public health by recreating in these waters.**

**Avoid swimming, wading, boating, or fishing while this sign is posted!**

**This sign shall remain in place for 48 hours after the discharge has stopped.**
