

Certification

I certify that the best of my knowledge and belief the information submitted above is true, accurate, and complete. Based on the above responses and as required by the provisions of 10 V.S.A Section 1268, I hereby certify that:

There is no present, reasonable alternative means of disposing of the waste other than by discharging into the waters of the state during limited period of time of the emergency;

The denial of an emergency pollution permit would work an extreme hardship upon the applicant;

The granting of an emergency pollution permit will result in some public benefit;

The discharge will not be unreasonably destructive to the quality of the receiving waters;

The cause of reason for the emergency is not due to willful or intended acts or omissions of the applicant.

I recognize by signing this application, I am giving consent to employees of the Vermont Agency of Natural Resources to enter the subject property for the purpose of processing this application.
