

Drinking Water and Ground Water Protection

**Extended Period - Bulk Water Hauling as an
Emergency Source *Submit Weekly***

Instructions:

1. You must adhere to the Division's current [Bulk Water Hauling Procedure](#).
2. Notify the Division of the need to haul water for an extended period at 802-828-1535.
3. Complete all sections of this form after each load is hauled. Email completed form to David.Love@vermont.gov.
4. If a Boil Water notice is required (see current [Boil Water Procedure](#)), complete the [Boil Water Notice template](#) and submit a copy to the Division.
5. For Bulk Water Hauling questions, contact David Love using the email above, or at 802-585-4902.
